GUIDANCE TO COMPETITORS

1. ALL COSTUMES must be in strict accordance with the Rules of Australian Swimming Inc.
2. No person other than an authorised Official or a swimmer about to compete shall enter the Marshalling area
3. All competitors must report to the Call Steward in the Marshalling area. Any competitor who goes direct to the Starting Blocks will be denied a start
4. Swimmers must report to the Marshalling area, as advised by the announcer, the required number of events prior to the event in which they are swimming
5. Once your race has been assembled, remain in the Marshalling area. DO NOT GO AWAY
6. No unauthorised person shall walk on the pool deck between the timekeepers and other officials
7. NO person shall enter the water between events
8. Swimmers must swim in the lanes allotted in the programme, unless otherwise directed by the Marshall
9. No pacemaker will be permitted, nor any device be used or play adopted which has that effect. No instructions may be given to any swimmer, after he or she has entered the water
10. No protest or complaint will be accepted in verbal form. An official protest must be delivered in writing within ten (10) minutes of the occurrence preceding the protest, to the referee
11. This swim meets will be conducted under the rules of the Swimming Queensland Inc

COMPETITORS STARTING INSTRUCTIONS

1. Consistent with the provision of “The Swimming Rules”, as now amended, the Starter will NOT be briefing competitors on his requirements at the start. It is important that all competitors remain mindful:- Regarding the rules governing “delaying the start” or “wilfully disobeying an order” and the associated penalties
2. When requested by the check starter, the competitors will move in a group onto the pool deck each to a position immediately behind his/her lane starting block and await the referee’s signal
3. The start in Freestyle, Breaststroke and Butterfly races shall be with a dive. On the long whistle from the referee the swimmers will step onto the starting platform and remain there. On the starter’s command “Take you marks” they shall immediately take up a starting position with at least one foot at the front of the starting platform. The position of the hands is not relevant
4. The start in Backstroke and Medley Relay races shall be from the water. At the referee’s first long whistle, the swimmers shall immediately enter the water. The entry shall be feet first. When all swimmers have assumed their starting positions, the starter shall give the command “TAKE YOUR MARKS”
5. When all competitors are stationary the starter will give the starting signal
6. Competitors must finish in the lane in which they start and will remain in the water in their lanes at the finish of the event until a signal is received from the referee to leave the water
7. The false start rules will be applied in this way:-
 - a. a swimmer who dives into the pool before ASSUMING AND HOLDING his starting position prior to the signal to start is liable for disqualification on the recommendation of the starter and concurrence of the referee
 - b. A swimmer who is told to “stand down” and who then wilfully dives into the pool after the order is given would contravene the “wilfully disobeying an order” rule and consequently is liable for disqualification on the recommendation of the starter and the concurrence of the referee
 - c. A swimmer who may overbalance and fall into the pool after being told to “stand down” is not, however, in contravention of the “wilfully disobeying an order” ruling

SPECIAL NOTES

The one start rule will be used throughout this meet.

FEET FIRST ENTRY TO THE POOL WILL APPLY TO ALL BACKSTROKE EVENTS
